As you know, to be enrolled in the Medication Assistance Program, it is required annually to provide new income information. Please mail, fax, or bring into the office one of the following:

1. 2015 tax return (the first page with the adjusted gross income at the bottom of the page)
2. Social Security verification letter with amount you receive each month.
3. Check stubs
4. Disability letter with amount you receive each month.

I need this updated information as soon as possible. The drug companies prefer the tax return, but the other items will work too. If you have any questions, please call me at 252-926-4393.

Thank you.
