Interim Health Director*

Important Services Provided by the Hyde County Health Department Following Hurricane Matthew

Environmental Health Services

If floodwater breached your well, you must chlorinate your well prior to use. For information on use of a well or septic tank after flooding, or for any other Environmental Health information, contact Environmental Health Specialist Roni Collier at 252-926-4380 or via email at rcollier@hydehealth.com.

For food and lodging Environmental Health inspections, or for any other Environmental Health information, contact Environmental Health Specialist Roni Collier at 252-926-4380 or via email at rcollier@hydehealth.com.

Tetanus Shots Encouraged

Tetanus shots are encouraged for citizens and volunteers in contact with debris from Hurricane Matthew. If you have not received a tetanus shot in the last 10 years or do not remember the date of your last vaccination, contact the Hyde County Health Department at 252-926-4399 to make an appointment to receive this vaccination.

Health and Safety Information

Health and safety information in the aftermath of Hurricane Matthew is available at kiosks at all US Postal Service Offices in Hyde County, the Government Center, Department of Social Services and at the Senior Center. This information is also available on the web at <http://hydehealth.com> under the Public Health Preparedness and Response tab. For more information about Public Health Preparedness and Response, please contact Preparedness Coordinator Misty Gibbs at 252-542-0358 or via email at mgibbs@hydehealth.com.

Primary Care Available

If you are feeling unwell after the storm, you can now see a provider 5 days a week at the Health Department. Primary care is available for men, women and children. Services include: Yearly physicals, chronic disease management, sick visits, laboratory services, well child visits and immunizations. Accepted forms of payment include private insurances, Medicaid and Medicare. The Hyde County Health Department also provides services to those without insurance. A reduced rate may be available according to a sliding scale based on family size and income. Appointments are available Monday-Friday from 8 a.m. - 5 p.m.
